

# ISRAEL IS STARVING CHILDREN TO DEATH DEMAND: LET FOOD IN!

**2 MILLION PEOPLE IN GAZA ARE IN STAGE 5 OF MALNUTRITION, THE EFFECTS OF WHICH ARE IRREVERSIBLE, EVEN IF FOOD BECOMES AVAILABLE IN THE FUTURE.**

**ISRAEL IS USING FOOD AS A 'WEAPON OF WAR'. THIS IS A CRIME AGAINST HUMANITY. YOUR TAX DOLLARS ARE PAYING FOR THIS.**

650,000 children under the age of 5 are on the **brink of death** due to starvation. At least 620 people have already died due to malnutrition, including at least **76 babies**.

## FOOD AS A WEAPON OF WAR

**BLOCKING AID:** Over **9,000 Humanitarian aid convoys are blocked and bombed**, preventing desperately needed food from reaching Palestinian civilians. All major aid organizations are banned from Gaza by Israel. Food is available and waiting to enter - but Israel is blocking it.

**SHOOTING STARVING PEOPLE:** Israel's sham "Gaza Humanitarian Foundation" has **shot over 1,000 civilians waiting for food** at so called "aid distribution sites". These are modern day barbed-wire concentration camps used to lure in starving people and shoot them.

**DELIBERATE STARVATION:** Israel's military strategy includes intentional **deprivation of food** to force displacement and ethnic cleansing of Palestinians. Food is weaponized.

**BLOCKADE & SEIGE:** Israel imposes strict blockades on Gaza (land, air, sea), severely **restricting the entry of food**, fuel, and essential supplies including baby diapers and baby formula.

**TARGETING FOOD:** Israeli forces have destroyed agricultural land, greenhouses, and fishing boats, **crippling Palestinians' ability to grow or catch their own food**. This is intentional to force starvation.
